## Profile

A curious mind fueled by coding, creativity, and coffee. I am a Junior Web Developer graduated in Digital Development from OFPPT, combining logic and imagination to create clean and functional web experiences. I thrive in environments where challenges drive growth and where collaboration fosters innovation. Whether debugging a chaotic backend or designing pixel-perfect interfaces, I am always ready to adapt, learn, and deliver.

## Education

- 2022 - 2023 | **Lycée Asaada Ait Melloul** *Baccalaureate in Physical Sciences*
- 2023 - 2024 | **ISTA Ait Melloul** *First-year student in Digital Development*
